## Equipment Rental

### Bosch GWS 20-230 9" Grinder

#### Description

The Bosch GWS20-230 Grinder is a heavy weight angle grinder supplied by Enermech with anti vibration side handle. This machine is intended for cutting, roughing and brushing metal and stone materials without using water. This grinder is fitted with a spindle lock button for ease and safety when changing out abrasive wheels or cup brush. Also this machine has a factory fitted anti vibration mounting between the motor body and trigger for increased vibration protection.
